2019 WSSS OFFICERS

- President:**
Jeffrey Johnson (WSUGS 1984)
- Vice-President:**
Scott Davidson (WSU/GS 1990/96)
- Secretary-Treasurer:**
Joseph Sferra (WSUGS 1991)
- Members-at-Large:**
Pamela Johnson (WSU/GS 1984/89)
Larry Narkiewicz (WSU/GS 2004/09)
Bruce McIntosh (WSU/GS 1989/94)
- Resident Member:**
Anna M. Knight (WSUGS 2019)

This residency year, we have 17 PGY-1 residents in the Detroit Medical Center/Wayne State University Program in Surgery who joined us in July. Please join us in welcoming them when you see them in the hall of the Detroit Medical Center. The New Faces for 2019-2020 are listed below:

Categorical

Dr. Paige Aiello is a graduate of the Wayne State University School of Medicine.

Dr. Molly Belisle is also a graduate of the Wayne State University School of Medicine.

Dr. Puneet Bhatti comes to us from the Ohio University Heritage College of Osteopathic Medicine.

Dr. Anastasya Chuchulo graduated from the Saba University School of Medicine.

Dr. Matthew Georgis attended the Keck School of Medicine of the University of Southern California.

Dr. Stephanie Joseph is a graduate of the University of Miami Leonard M. Miller School of Medicine.

Dr. Felix Shun graduated from the Wayne State University School of Medicine.

Dr. Jock Thacker comes to us from St. George's University.

Continue on page 2

MEET OUR NEW RESIDENTS

Preliminary Surgery

Dr. Usama Aboelkheir is a graduate of the University of Alexandria.

Dr. Ryan Chen comes to us from St. George's University.

Dr. Ryan Freedman is also a graduate of the Wayne State University School of Medicine

Dr. Alison Karadjoff is a Michigan State University College of Osteopathic Medicine graduate.

Dr. Davy Bruno Machado graduated from Universidade Federal do Ceara in Fortaleza, Brazil.

Dr. Swethasri Makam is a graduate of the Kamineni Institute of Medical Sciences in India.

Dr. Rachelle Moore is a graduate of our own Wayne State University School of Medicine.

Dr. Ariana Shane is also a graduate of our Wayne State University School of Medicine.

Dr. Tyson Waliezer is another graduate of the Wayne State University School of Medicine.

Dr. Edward Walton also comes to us after graduating from the Wayne State University School of Medicine.

MEET OUR NEW RESIDENTS

Surgical Critical Care Fellows

Dr. Gabriel Bakula was born in Peru and attended medical school in Lima, Peru. His general surgery training started with an internship at the University of Texas Health Science Center in San Antonio, Texas, and he completed his general surgery residency locally in the Providence-Providence Park Health System affiliated with MSU.

Dr. Alwyn Harriott attended medical school at WSU. He completed his general surgery residency at St. John Hospital and Medical Center in Detroit followed by a minimally invasive and bariatric surgery fellowship there as well. He most recently has been practicing trauma, acute care surgery, and critical care in Nashville, Tennessee.

Plastic Surgery Fellows

Dr. Y. Amanda Chu joins us after completing a general surgery residency at the University of California-Fresno.

Dr. Chris Hamamdjian completed his general surgery residency at Sinai Grace Hospital.

Vascular Surgery Fellows

Dr. Rema Malik joins us after completing a Surgical Critical Care fellowship at the Wright State University in Dayton, Ohio.

Dr. Viswanathan Rajagopalan joins us as a practicing surgeon from Terra Haute Regional Hospital in Terra Haute, Indiana.

Minimally Invasive Surgery Fellow

Dr. Amy Somerset joins us after completing a general surgery residency at the Beaumont Hospital in Royal Oak, Michigan.

The Midwest Surgical Association (MSA) held its 2019 Annual Meeting on July 28-30 at the French Lick Springs Hotel in French Lick, Indiana. A number of contributions were made by Wayne State University personnel.

Dr. Solhee Lee (WSUGS 2022) presented a paper “Non-Operative Management (NOM) of Most Liver Injuries Impairs the Mastery of Intraoperative Hemostasis”; her coauthors were Dr. Anna Ledgerwood (WSUGS 1972), Dr. Joseph Buck (WSUGS 1987) from Ascension St. John Hospital, and Dr. Charles Lucas (WSU/GS 1962/67). Dr. Lee demonstrated that during the past six decades there has been a progressive decrease in the number of patients who require some type of intraoperative hemostatic technique for the control of active bleeding. This decrease was due to the rise in NOM and also the rise in the number of patients who have a temporary pack during laparotomy but require no specific hemostatic technique to the liver after the temporary pack is removed prior to closure. The incidence of NOM/Ooeration only increased from about 46% in the 1960s to 83% in the 2010s. Dr. Lee recommended additional training for surgical residents planning to be involved in the treatment of bleeding liver injuries.

Dr. Solhee Lee

Dr. William Cirocco (WSUSOM 1985) presented a paper “It’s Time to Retire Goodsall’s Rule: The Midline Rule is a More Accurate Predictor for the True and Natural Course of an Anal Fistula.” Dr. Cirocco presented a brief history of Dr. Goodsall who described the rule that has carried his name for over 100 year. Part of this rule states that the anal fistula external opening with close proximity to the anal cutaneous junction will arise, internally, on a radial line from the external opening. He demonstrated that this is not true and that most of these anterior external openings are associated with an internal opening in the midline. Recognizing this to be true is helpful in preventing injury to the anal sphincter complex. This observation was especially true in women presenting with anal fistulas.

Dr. William Cirocco

Dr. Chris Steffes (WSUGS 1993) was a coauthor along with Drs. T. Ivanics, S. Leonard-Murili, R. Shaw, and D. Kwon from the Henry Ford Hospital on a paper entitled “Outcomes of Various Treatment Sequencing Strategies in Octogenarians with Gastric Adenocarcinoma: A National Cancer Data Base analysis.” These authors demonstrated that systemic chemotherapy represented a risk factor for mortality in octogenarians with stage I gastric cancer. They suggested that the utilization of postoperative systemic therapy be monitored carefully in octogenarians with significant comorbidities.

Dr. Chris Steffes

Dr. Sheel Patel (WSUGS 2021) presented a poster entitled “Cardiac Metastasis: A Rare Finding of Marjolin Ulcers”; her coauthors were Dr. James Tyburski (WSUGS 1992) and Dr. Heather Dolman (WSU/GS 2000/06). They described a patient who had a huge 20cm Marjolin ulcer after a prior burn to the flank and back. This patient had excision of this lesion but later developed some systemic symptoms and, on postmortem examination, was found to have metastasis of this Marjolin adenocarcinoma to the heart.

Dr. Sheel Patel

Dr. Kimberly R. Coughlin (WSUSOM 2016) presented a poster “Changes in Injury Characteristics and Outcomes of Gunshot Wounds at a High Volume Urban Trauma Center from 2004-2017”; her coauthors were Drs. Hayward and E. Edhayan from the Ascension St. John Hospital. Dr. Coughlin had demonstrated that the average age of patients with GSW has increased as has the likelihood of there being multi-region injuries. This resulted in an increase in the overall mortality.

Dr. Kimberly Coughlin

Wayne State University is also involved in the organizational structure of the MSA. Dr. Cirocco, the immediate past-president, is representing the MSA at the American College of Surgeons Board of Governors. Dr. Al Baylor (WSUGS 2005), Dr. Arthur Carlin (WSU/GS 1991/98), Dr. Heather Dolman (WSU/GS 2000/06), and Dr. Jonathan Saxe (WSUGS 1990) serve as counselors for the MSA.

The next meeting of the MSA will occur on August 2-4, 2020, at the Grand Hotel on Mackinac Island in Michigan.

Dr. William Cirocco

Dr. Al Baylor

Dr. Arthur Carlin

Dr. Heather Dolman

Dr. Jonathan Saxe

CLINICAL CONGRESS 2019
 The Best Surgical Education. All in One Place.
 Moscone Convention Center | San Francisco, CA

School of Medicine

The Michael and Marian Ilitch
 Department of Surgery
 cordially invite you and a guest to our annual

Alumni Reception
Tuesday, October 29, 2019
6:00 p.m. – 7:30 p.m.
Fairmont Hotel, Atop Nob Hill
950 Mason Street,
San Francisco, California
Crown Room

Hosted by Donald W. Weaver, M.D.
 Penberthy Professor and Chairman
 Department of Surgery

RSVP by October 11, 2019 to jdamm@med.wayne.edu or
 Call Janet Damm at 313-745-8778

GREETINGS FROM THE OUTFIELD

PRODUCTIVITY

Dr. Mallory Williams (WSUGS 2006) is currently the Trauma Medical Director at Howard University Hospital in Washington DC. He and other trauma leaders in the country have created a video entitled, "Why Doctors Are Taking On the NRA." This is a very informative video which discusses the controversy regarding firearms, especially as it relates to firearm usage on our national highways. One can access this video, by going online to <https://youtu.be/N0XCoY2FQts>. This video provides a great deal of important information and Dr. Williams should be congratulated for helping lead the production of this video.

Dr. Mallory Williams

"There is so much implicit to saying I am a trauma surgeon. For me, that means DRH and the people who trained me." Dr. Mallory Williams.

EXTRACURRICULAR PRODUCTIVITY

Dr. Naresh Sundaresan (WSUGS 2019) and his bride, Dr. Devina Mohan, are pleased to announce they are now proud parents of a new baby boy, Meru Sundaresan. Little Meru entered the world on Wednesday, June 5, 2019, at 12:25 a.m.

Meru Sundaresan

He weighed in at 7 lbs 3 oz and was 19-1/2"

long. The WSU clan extends their warm congratulations to Naresh and Devina and welcome their newest member to the WSU surgical family.

Naresh, Devina and their son, Meru

GREETINGS FROM THE OUTFIELD

EXTRACURRICULAR PRODUCTIVITY

Dr. Lauren Marquette (WSUGS 2019) and her family are doing well in Indiana. Her husband, Scott, has a new job as the Vice Chair of Administration and Finance for Radiation Oncology at Indiana University. Both Dr. Marquette and her husband are also excited to announce the birth of

Ms. Tess Elizabeth Marquette

Tess with her big brother, Edison

the newest addition to their family. Their daughter, Tess Elizabeth Marquette, arrived on July 22, 2019, weighing in at 7 lbs and 1 oz. Edison, their 4 year old son, is incredibly thrilled to be a big brother. He loves pretending to be a doctor and do "check ups" on his new baby sister's heart, lungs, ears and reflexes! The WSU clan sends a warm welcome to the newest addition to the WSU family.

Dr. Duane Sands Minister of Health in the Bahamas

Dr. The Honorable Duane E. L. Sands (WSUGS 1991) is currently the Minister of Health in the Bahamas. Despite a very busy agenda, he still manages to occasionally get into the operating room. Dr. Brian Shapiro (WSU/GS 1988/93) forwarded some of the political cartoons that have appeared in the Bahama newspapers. They are self-explanatory.

Dr. Duane Sands

April 2019

Dear Wayne State Surgical Alumni and Friends,

The WSSS continues to thrive, offering support to our members and the current general surgery residents at WSU. As the new president of the Wayne State Surgical Society (WSSS), I would like to greet you in the new year and report on the Society's activities in 2018. Our annual meeting was held during the American College of Surgeons meeting in Boston, at the Boston Convention & Exhibition Center. A cocktail reception was hosted by Chairman Don Weaver followed by the WSSS banquet and meeting. The banquet is free to all Society members, with current residents attending as our guests. From reports I've received a wonderful time was had by all.

The Society also sponsors the annual WSSS Lectureship named in memory of Dr. Walt. The evening before society members have an opportunity to meet and question the WSSS Lecturer on the topics of the day. The discussion is typically quite interesting and wide ranging. The meal is wonderful. Last year's speaker was Lena Napolitano from the University of Michigan who is an expert in Acute Care Surgery and Critical Care as well as a board member of the ABS and a Governor of the ACS. This year's WSSS Lecturer will be Dr. Roxie Mae Albrecht. Dr. Albrecht practices with OU Medicine at the University of Oklahoma Health Science Center and the OU Medical Center in Oklahoma City, OK. She is a Professor and Vice Chair of Quality and Division Chief of General Surgery, Trauma and Surgical Critical Care in the Department of Surgery at OU Health Science Center and the Medical Director of Trauma and Surgical Critical Care at OU Medical Center, the only ACS verified Level 1 Trauma Center in Oklahoma.

Membership also covers your admission to the annual Detroit Trauma Symposium. The Symposium, put together by Larry Diebel, is first rate and well worth attending.

Finally your dues support the following residency activities. During 2018 the WSSS sponsored our residents to attend the Detroit Trauma Symposium and our 5th year residents to travel to the annual Clinical Congress of the American College of Surgeons. Our dues supported two residents attending the Basic Micro Surgery Course at the Beaumont Hospital and two residents who attended the annual Plastic Surgery Meeting.

The WSSS currently has 116 members including 67 Charter Life members who have or will donate \$10,000 to the Society, tax deductible! **If you are not receiving the newsletter please let us know your email so that you can be included to receive this very fun and informative newsletter for all the alumni of the department of surgery.** It gives me great pleasure to tell you that we have over \$205,119.28 in the bank and are in the process of investing a portion to ensure the Society will exist in perpetuity. Consider becoming a Life Member, invest in the future, and one of these outstanding residents may just become your partner!

Enclosed with this letter is a ballot for new officers and board members. Also included is the form for your annual dues. I always thought that the standards and skills learned during my residency formed the foundation for my professional career. The society offers the opportunity to continue a relationship with the program, both by continued fellowship with peers and mentors, and the support to those who will be replacing us when we retire. I think the WSSS is worthy of your support.

Proposed dates for this year's activities include, the annual meeting of the WSSS on Tuesday October 29 at the ACS meeting in San Francisco, California; the WSSS Annual Lectureship in Detroit on Wednesday November 6 with the annual dinner for the Lecturer occurring the evening before on Tuesday, November 5. The Detroit Trauma Symposium will follow on November 6-7. I hope you will make plans to attend.

Serving as our Society president will be an honor. The WSU Michael and Marian Ilitch Department of Surgery and the WSSS is responsible for a large part of our success as surgeons. It is an organization that brings old friends together with mentors and future partners. It is worthy of our participation and support.

Sincerely yours,

Jeffrey R. Johnson MD
President WSSS

Wayne State Surgical Society

The Wayne State Surgical Society (WSSS) was established during the tenure of Dr. Alexander Walt as the Chairman of the Department of Surgery. WSSS was designed to create closer contact between the current faculty and residents with the former resident members in order to create a living family of all of the WSU Department of Surgery. The WSSS also supports department activities. Charter/Life Membership in the WSSS is attained by a donation of \$1,000 per year for ten years or \$10,000 prior to ten years. Annual membership is attained by a donation of \$200 per year. WSSS supports a visiting lecturer each fall and co-sponsors the annual reception of the department at the annual meeting of the American College of Surgeons. Dr. Brian Shapiro (WSU/GS 1988/93) passed the baton of presidency to Dr. Jeffrey Johnson (WSUGS 1984) at the WSSS Gathering during the American College of Surgeons meeting in October 2018. Members of the WSSS are listed on the next page. Dr. Johnson continues in the hope that all former residents will become lifetime members of the WSSS and participate in the annual sponsored lectureship and the annual reunion at the American College of Surgeons meeting.

*Operation-A-Year
January 1—December 31, 2019*

The WSU department of Surgery has instituted a new group of alumni who are remembering their training by donating the proceeds of one operation a year to the department. Those who join this new effort will be recognized herein as annual contributors. We hope that all of you will remember the department by donating one operation, regardless of difficulty or reimbursement, to the department to help train your replacements. Please send you donation to the Wayne State Surgical Society in care of Dr. Charles E. Lucas at Detroit Receiving Hospital, 4201 St. Antoine Street (Room 2V), Detroit, MI, 48201.

WSU SOM ENDOWMENT

The Wayne State University School of Medicine provides an opportunity for alumni to create endowments in support of their institution and also support the WSSS. For example, if Dr. John Smith wished to create the “Dr. John Smith Endowment Fund”, he could donate \$25,000 to the WSU SOM and those funds would be left untouched but, by their present, help with attracting other donations. The interest at the rate of 4% per year (\$1000) could be directed to the WSSS on an annual basis to help the WSSS continue its commitment to improving the education of surgical residents. Anyone who desires to have this type of named endowment established with the interest of that endowment supporting the WSSS should contact Ms. Lori Robitaille at the WSU SOM> She can be reached by email at lrobitai@med.wayne.edu.
