### **Teaching/Educational Program Development**

---

**Medical Mentors Pipeline Program** June 2013 – Present  
Detroit Medical Center & Wayne State University SOM - Program Director  
Developed a 6 week summer shadowing program for high school juniors, seniors, college freshmen and sophomores who want to become physician. Participants shadow a variety of physicians in various specialties. Students must participate in a mandatory 2 day orientation, weekly didactics, obtain BLS certification and must turn in weekly assignments. They obtain additional guidance and exposure to WSUSOM advisors, students and faculty. Secured a 3 year \$100,000 Grant.

**Medical Mentors Pipeline Program Virtual Series** August 2021 & May 2022  
Detroit Medical Center & Wayne State University SOM

Course Developer & Director

Hosted two virtual educational sessions directed at high school and college students interested in becoming physicians to provide information about what you need to know to apply to medical school and along with information about various specialties.

**Wayne State University School of Medicine Student  
Community Engagement Cohort**

May 2021 - present

Support several WSUSOM students with a community engagement project over the course of a educational block.

**Virtual College Fair**

April 2021

The Links, Inc. STEAMM Collaborative – Chair

Developed and hosted a virtual college fair for Detroit area high school students in collaboration with 18 local and national colleges and universities to provide information about the college admission process and obtaining financial aid support.

**Sista to Sista Support Network**

November 2014 - present

Wayne State University School of Medicine African American women student support forum to provide mentoring and guidance to students while navigating medical school. Conducted sessions quarterly in close collaboration with Black Medical Student association students, the office for Diversity & Inclusion and area attending physicians.

**Patient Education Videos**

Executive Sponsor – Created Seven patient education videos and pamphlets to educate patients on Congestive Heart Failure, Hypertension, Diabetes, Myocardial Infarction, Chronic Obstructive Lung Disease, and End Stage Renal Disease. Lead a multidisciplinary team with a focus on decreasing readmissions to the hospital. Summer 2013

**Domestic Violence: What Every Health Care Provider Needs to Know on Domestic**

**Violence.** Course Director - October 16, 2008 and October 2009. 4 CME credits and 4 CEU credit hours.
