*Updated by Dr. Moncrease Jan 19, 2022*

*Dr. Tynes is doing extensive work in serving and protecting the community from the current COVID- 19 pandemic. He is an international speaker on COVID-19, hesitancy to the COVID-19 vaccine, and has recently been awarded a COVID-19 Monoclonal Antibodies Infusion site.*

*Dr. Tynes is leading the fight for safe drinking water in the city of Benton Harbor, MI. He has played an essential role in educating the residents of Benton Harbor, the county of Berrien, and the State of Michigan on the dangers of lead in the drinking water for children and adults. He has played a key role in getting the current infrastructure pipes changed from over a planned 20-year period to less than a 2-year planned completion period.*

Don J. Tynes MD FACP
