5-7 p.m.	Special Class Receptions and Silent Auction
7-9:30 p.m.	Dinner and Awards Presentation
9:30 p.m. to midnight	Dancing and Afterglow

■ Welcome

Welcome to the Medical Alumni Reunion Dinner, sponsored by the Wayne State University School of Medicine Alumni Association. We hope you enjoy this opportunity to mingle with alumni, students and friends. This is your evening to reminisce, laugh and remember your time at the WSU School of Medicine.

After dinner, the Lawrence M. Weiner Award, Recent Alumni Award, and Distinguished Alumni Awards will be presented. We are honoring four individuals who have made exceptional contributions to the field of medicine.

■ About the Awards

The Recent Alumni Award

The Recent Alumni Award, established in 2003, is presented to an individual who received an M.D. degree from the Wayne State University School of Medicine within the last 15 years and has demonstrated outstanding professional achievement, community contributions or service to the Wayne State University School of Medicine.

The Distinguished Alumni Award

The Wayne State University Medical Alumni Association initiated the Distinguished Alumni Award to be presented annually to individuals who received an M.D. from the WSU School of Medicine who have made outstanding contributions to humanitarian causes, whose contributions to the health field in the broader sense is outstanding and for their service to the Wayne State University School of Medicine.

The Lawrence M. Weiner Award

The Lawrence M. Weiner Award, established in 1979, honors the outstanding contributions made to the Wayne State University School of Medicine by individuals who are not M.D. alumni of the School of Medicine. Nominees may have earned a doctoral degree or completed their residency or fellowship training at Wayne State University, or may be a faculty member who completed their undergraduate medical education at an institution other than WSU. This award is based on exceptional performance in teaching, research and/or administrative duties. The individual receiving this award has met the high standards established by Dr. Lawrence Weiner's outstanding record of service to the School of Medicine.

■ Reunion Patrons

John Buday, M.D., Class of 1983
Ernest P. Chiodo, M.D. J.D., M.P.H., M.S., M.B.A., C.I.H., Class of 1983
Roger Kahn, M.D. Class of 1974
Drs. Lauren and Nicholas Morelli, Class of 2013
Peisner, M.D. Class of 78
Arthur Williams, M.D. Class of 83

(As of April 6, 2023)

■ The Lawrence M. Weiner Award

The Lawrence M. Weiner Award, established in 1979, honors outstanding contributions made to the Wayne State University School of Medicine by individuals who are not M.D. alumni of the school. Nominees may have earned a doctoral degree or completed their residency or fellowship training at Wayne State University, or may be faculty members who completed their undergraduate medical education at an institution other than WSU. The award is based on exceptional performance in teaching, research and/or administrative duties. The individual receiving this award has met the high standards established by Dr. Lawrence Weiner's outstanding record of service to the School of Medicine. ■

■ Mahir Elder, M.D., Res. '02, Fel. '05 and '06

Mahir Elder, M.D., is an interventional cardiologist with the expertise patients need to manage even the most complex heart conditions.

Dr. Elder is the founder of Heart & Vascular Institute, which has locations in Dearborn, Detroit, Southfield, Wayne and Warren, Mich.

He specializes in minimally-invasive procedures.

His extensive medical background, including seven national board certifications, allows him to deliver exceptional care.

Dr. Elder aims to provide consistent, reliable care. He is known for responding to patients 24 hours a day, seven days a week. He understands that health care coverage can play an important role in a patient's outcome, which is why he offers his services to both insured and uninsured patients.

Dr. Elder graduated from the American University of the Caribbean School of Medicine. He completed his residency at Wayne State University, and two fellowships in cardiology and interventional cardiology at Detroit Medical Center/Wayne State University.

A recognized expert in the field of cardiology, Dr. Elder has developed many clinical trials. He also has performed research on endovascular procedures and complex vascular cases. He serves as a clinical professor of Internal Medicine at the Wayne State University School of Medicine and at the Michigan State University College of Human Medicine. Dr. Elder founded the first comprehensive pulmonary embolism response team in 2012. He serves on the board of directors of the National PERT Consortium. He is well published in the field of pulmonary embolism treatment.

Dr. Elder is a highly requested speaker at international and national medical conferences and has earned several recognitions. He is the only doctor to have been twice named as a Crain's Healthcare Hero. After being selected in 2012 for saving limbs and preventing amputations through catheter-assisted cardiovascular surgery, he was again chosen in 2017 for his pioneering work in saving pulmonary embolism patients. He has been selected as a Top Doctor by Hour Magazine, received a People's Choice Award for compassionate doctor recognition and named the Wayne State University School of Medicine's Teacher of the Year and Mentor of the Year.

In 2017, Dr. Elder established an endowed student scholarship at the Wayne State University School of Medicine and serves on the Admissions Committee and the Medical Alumni Board of Governors. ■

■ The Distinguished Alumni Award

The Wayne State University Medical Alumni Association initiated the Distinguished Alumni Award to be presented annually to individuals who received an M.D. from the WSU School of Medicine who have made outstanding contributions to humanitarian causes, whose contributions to the health field in the broader sense is outstanding, and for their service to the Wayne State University School of Medicine. ■

■ Ernest P. Chiodo, M.D. '83, J.D., M.P.H., M.S., M.B.A., C.I.H.

Dr. Ernest Chiodo served for many years as an assistant clinical professor of Internal Medicine, Family Medicine, and Public Health at the Wayne State University School of Medicine. He also served as an assistant adjunct professor of Industrial Hygiene and Toxicology at Wayne State University.

Dr. Chiodo earned four degrees from Wayne State University: medical degree, juris doctor, master's of Science in Biomedical Engineering and master's of Science in Occupational and Environmental Health Sciences. An avid lifelong learner, he also earned a master's degree in Public Health from the Harvard University School of Public Health, a master's degree in Threat Response Management and master's degree in Business Administration from the University of Chicago, and a master's degree in Evidence-Based Health Care and a master's degree in Experimental and Translational Therapeutics from the University of Oxford.

Dr. Chiodo served as the medical director and manager of Medical and Public Health Services for the City of Detroit, and was the chief physician responsible for measures designed to protect the public health of more than 1 million people living and working in the city.

Honored by the Engineering Hall of Fame of the Wayne State University College of Engineering as a Distinguished Biomedical Engineer, Dr. Chiodo has been elected to full membership in the Society of Toxicology. He is board certified in Internal Medicine, Occupational Medicine, and Public Health and General Preventive Medicine.

He also is certified in the engineering and public health discipline of Industrial Hygiene by the American Board of Industrial Hygiene and is a past-president of the Michigan Industrial Hygiene Society, the first industrial hygiene organization in the United States.

Dr. Chiodo is licensed to practice law in Michigan and Illinois. He has served on the Environmental Law Council of the State Bar of Michigan. He has also served as chair of the Environmental Litigation and Administrative Practice Committee of the State Bar of Michigan. He has served as an adjunct professor of law at John Marshall Law School and Loyola University Law School, where he taught toxic tort law.

Dr. Chiodo serves on the WSU Medical Alumni Association Board of Governors and continues to practice medicine and law from his office in Clinton Township, Mich. ■

■ The Recent Alumni Award

The Recent Alumni Award, established in 2003, is presented to individuals who received an M.D. degree from the Wayne State University School of Medicine within the last 15 years and who have demonstrated outstanding professional achievement, community contributions or service to the Wayne State University School of Medicine. ■

■ Steve Daveluy, M.D. '08, Res. '12

Steve Daveluy, M.D., is a board-certified dermatologist, associate professor and program director of the Wayne State University Department of Dermatology. He runs the oncodermatology clinic at the Barbara Ann Karmanos Cancer Institute. He also provides care at the John D. Dingell Veterans Affairs Medical Center, with a focus on teledermatology services, reaching patients in several states.

Dr. Daveluy earned his bachelor's degree in zoology from Michigan State University. He received his medical degree from the Wayne State University School of Medicine and then completed residency training in the Wayne State University Department of Dermatology. He joined the faculty at the conclusion of his training.

Dr. Daveluy is a clinician and educator of medical students and residents. He believes strongly in supporting the Wayne State University School of Medicine through his role as president of the Alumni Board of Governors. He has a passion for and conducts research in hidradenitis suppurativa and serves on the board of directors of the Hidradenitis Suppurativa Foundation.

He chairs the Performance Measurement Committee and the Inflammatory Skin Disease and Itch Measure Task Force of the American Academy of Dermatology. He has played an instrumental role in developing performance measures to enable physician participation in quality reporting, which earned him the 2020 Performance Measure Pioneer Award.

Dr. Daveluy has been an active member of the Wayne County Medical Society of Southeast Michigan. He has a special interest in nurturing future leaders of medicine and is the faculty advisor for the Wayne State University School of Medicine student chapter of the American Medical Association. His joy for advocacy extends to his role as the president of the Michigan Dermatological Society. ■

■ LaTonya Riddle-Jones, M.D. '08, Res. '12

Dr. Riddle-Jones is a proud Chemical Engineering graduate of Michigan State University, the Wayne State University School of Medicine and the Detroit Medical Center/ Wayne State University School of Medicine Internal Medicine-Pediatrics Residency program. She practiced at St. Joseph Mercy Hospital and Neighborhood Family Health Center for two years upon graduation, and served as a clinical instructor for the University of Michigan Med/Peds program while there. At Wayne State University, she is an assistant professor, vice chair of Diversity, Equity and Inclusion for the Department of Internal Medicine; director of Population, Patient, Physician and Professionalism courses; associate medical director of the Tri-County Breast and Cervical Cancer Control Program; faculty mentor for several student organizations; and former medical director of the Corktown Health Center, a medical home for Detroit's LGBTQ community.

Her research and academic interests include health care policy, primary care, preventative health, and HIV prevention and treatment in historically-marginalized people. Her clinical interests include primary and preventive care, and addressing the medical needs of the LGBTQ community. Dr. Riddle serves as the secretary of the Wayne County Medical Society and on various committees for the Michigan State Medical Society. She loves academic and organized medicine, and her goal is to improve the health and well-being of communities by contributing to the education of future physicians and actively addressing and correcting systemic injustices. ■

Weekend Planning Committee

Thank you to our Medical Alumni Reunion Weekend Planning Committee! Your efforts are very much appreciated!

WAYNE STATE

School of Medicine
Psychiatry and Behavioral
Neurosciences

The Department of Psychiatry and Behavioral Neurosciences integrates basic and clinical research in a setting that fosters high quality education, training, and superior clinical services offered by Wayne Health and other affiliated physicians.

Wayne Health Psychiatry

Comprehensive evaluation and treatment for a full range of behavioral health disorders in adults, adolescents and children.

Our specialists provide research-based treatments and care that is tailored to individual needs, including medication management, individual therapy, and/or group therapy.

Psychiatry Services include:

- Early Childhood Consultations
- Medication-Assisted Treatment (MAT)
- Post-Traumatic Stress Disorder (PTSD) and Trauma
- First Episode Psychosis
- Anxiety
- Mood Disorders
- Telemedicine
- Interventional Psychiatry including repetitive transcranial magnetic stimulation (rTMS), transcranial direct current stimulation (tDCS) and rapid-acting antidepressant medication administration
- Compassionate Care Training
- Hospital-based Psychiatric Services and Emergency Care

Innovative Programs:

FST5 (Frontline Strong Together) –

- Providing 24/7 support, resources and services for frontline workers and their families

EARLY School-Based Clinics –

- Comprehensive mental health treatment for adolescents in select high schools in western Wayne County

STARC (Stress Trauma Anxiety Research Clinic) –

- Stress risk and resilience in Syrian and Iraqi refugees and survivors of torture
- Augmented reality treatment of phobias
- Arts and Movement therapies for treatment of trauma-related disorders in youth and families

Allergy & Immunology | Rheumatology | Aesthetics

*A combined medical practice
serving southeast Michigan.*

At Tria Health, we strive to provide quality and compassionate medical care to our patients. We aim to recognize individual needs and tailor treatments accordingly. Our physicians are specialized in the multi-systemic auto-immune, allergic and immunological disorders. Collaboration between our specialists enhances patient care. At the end of the day, we recognize that we are here to treat you and not just your medical condition.

Board Certified Doctors ready to serve you.

ALLERGY/ IMMUNOLOGY **Rachel Kado, M.D.**

Dr. Rachel Kado is a board- certified allergist who specializes in targeting inflammation related to seasonal elements, food allergies & atopic dermatitis. She is a national

expert in scheduled food exposures to reduce at risk children of developing food allergies. She treats both children & adults by focusing on reducing inflammation with patient focused lifestyle changes, nutrition and cutting edge therapies in a multi specialty clinic with Dr Ruba Kado by her side. △

RHEUMATOLOGY **Ruba Kado, M.D.**

Dr. Ruba Kado is a board- certified rheumatologist specializing in reducing inflammation related to complex autoimmune conditions. As an accomplished clinical scientist she has participated in numerous clinical trials

and authored book chapters and manuscripts. Dedicated to patient care, Dr. Kado always is at the forefront of the best treatment protocols for her patients. With Dr Rachel Kado by her side, she believes in a multifaceted approach to patient care, combining her knowledge of medicine and health in order to achieve optimal outcomes. △

Engagement Opportunities

Medical Specialty Lunches & Webinars

The WSU Medical Alumni Association hosts a series of medical specialty lunches and virtual webinars; practicing physicians and residents will speak on their experience, offer suggestions and answer questions.

Shadowing

Allow students to shadow you at your practice! It's a great way for alumni to build relationships with future colleagues in the WSUSOM family while educating them at the same time.

Dinner with a Doc

The WSU School of Medicine Dinner with a Doc program matches medical students with practicing physicians in the Detroit metro area. Physicians host dinner for a current student in their home or at a restaurant.

HOST (Help Our Students Travel) Program

HOST is a program sponsored by the WSU Medical Alumni Association designed to reduce students' residency travel expenses and connect alumni and students throughout the country. Alumni volunteers provide students with a free place to stay as well as offer invaluable advice about residency training, the prospective medical center and community in which they are interviewing.

Scan the QR code or visit alumni.med.wayne.edu/engage to learn more about opportunities

WHITE COAT SPONSORSHIP PROGRAM

Support a time-honored tradition by sponsoring a white coat for an incoming member of the Wayne State University School of Medicine's Class of 2027

Help celebrate this remarkable occasion at the start of a student's journey into medicine. Acceptance of a white coat represents the commitment that each physician-in-training makes to practice compassionate, patient-centric medical care. It also serves as a reminder of the ideals that set all Warrior M.D.s apart: that the privilege of medical education comes with the responsibility of service to the community.

All sponsors are encouraged to include a note of welcome, and student recipients may even reach out to connect with their benefactor after the ceremony has concluded. With your support, we can ensure that each member of the Class of 2027 has a sponsored white coat.

The sponsorship deadline is July 1. Please note that sponsorships will be assigned at random.

We invite you to welcome the next generation of Wayne State-trained physicians by sponsoring an incoming student's first white coat.
