WELCOME

At 12:34pm the Alumni Association Past President, Dr. Jack Folbe, welcomed everyone to the 2022 Annual Alumni Reunion.

ACKNOWLEDGEMENT OF SPECIAL REUNION CLASSES

Dr. Folbe acknowledged the classes ending in 0, 1, 2, 5, 6 & 7 celebrating their special class reunions.

MEDICAL ALUMNI ASSOCIATION ANNUAL BUSINESS MEETING

Dr. Folbe announced that our bylaws require that we hold an official meeting and election during Medical Alumni Reunion Weekend, However, since we were not able to hold the reunion last year, we held a virtual meeting instead. Dr. Folbe asked for approval of the May 27, 2021 meeting minutes. The motion was carried.

There is a copy of the Medical Alumni Association 2021 Fiscal Year in Review on your tables. As you can imagine, the pandemic continued to challenge us in many ways but the Medical Alumni Association remained committed and determined to meet the needs of our alumni and students, as you will see in the report.

Membership - I am pleased to report that for the 2021 fiscal year, which ran October 2020 through September 2021, we had 3,155 dues paying members of the Medical Alumni Association.

Medical Alumni Annual Fund - which the Medical Alumni Board of Governors oversees, the 2021-2022 Medical Alumni Annual Fund has raised \$315,000 in cash. This represents a 22% increase over the same time last year. The Medical Alumni Annual Fund is vital to our students' medical education and training, and to their academic success. We are extremely grateful to all who have contributed to the annual fund, and we are especially appreciative of those who made a special gift in honor of your reunion this year.

Treasurer Report - Dr. Patrice Harold, Treasurer, Medical Alumni Association reported.

- The Medical Alumni Association receives the bulk of our funds from membership dues.
- Our goal is to use these funds, which should not be confused with donations to the Medical Alumni Annual Fund, to promote and support the School of Medicine and the Medical Alumni Association.
- These funds are primarily used:
 - To sponsor Medical Alumni Association Lifetime of Dedication scholarships for students.
 - To subsidize alumni-sponsored events like Medical Alumni Reunion Weekend and Future Docs to help keep them affordable to graduates at all stages of their medical careers.
 - To purchase the School of Medicine-branded merchandise and apparel that is sold in the alumni office and online. Prices are as close to cost as possible since the majority of sales are to students and all purchases demonstrate school pride.
 - And to sponsor booths and ads at medical conferences.
- Our closing balance on December 31, 2021 was \$23,438.

Election of the Medical Alumni Association Board of Governors – Dr. Jack Folbe reported.

The full slate is on the table. The slate was established by the Nominating Committee based on nominations that were received when they put a call out to all School of Medicine alumni in the fall. The slate was reviewed and accepted by the current board at their April 6th board meeting. A motion was called and carried. All current, and newly elected members of the Medical Alumni Association stood for recognition.

The meeting adjourned at 12:50 p.m.

Respectfully submitted,

Lisa Ramos
