

Medical Alumni Association Annual Meeting, Thursday, May 27

2020-21 Medical Alumni Association Membership

The membership committee is responsible for developing and approving strategies to increase annual Medical Alumni Association membership. The committee also monitors the dues program. Membership is not only one of the best ways to show pride for the medical education you received at the School of Medicine; it also provides critical resources to the Medical Alumni Association. Medical Alumni Association membership generates critical support for the WSUSOM:

- Subsidizes SOM-branded merchandise and apparel
- Scholarships for M1-M4 WSU SOM medical students
- Financial assistance for student related events, outreach programs and organizations; promoting leadership and professional growth
- Keep Medical Alumni Association-sponsored events affordable
- Marketing and promotion of the Medical Alumni Association at conferences, symposiums and events in an effort to increase alumni involvement and participation (booths, ads, signs, g
