MEDICAL ALUMNI ASSOCIATION

YEAR IN REVIEW 2025

Celebrating Alumni Impact

The Year in Review offers a meaningful moment to reflect on the extraordinary influence the Medical Alumni Association (MAA) had on the School of Medicine during Fiscal Year 2025.

Throughout the year, alumni generously shared their time, expertise and financial support—making a profound difference in the lives of our medical students and the broader School of Medicine community.

In Fiscal Year 2025, alumni donated \$2.5 million to advance groundbreaking research, fund scholarships and support student and community programming. This generosity fuels innovation and opportunity across all corners of the School of Medicine.

Alumni are deeply engaged in nearly every aspect of the student experience. From conducting admissions interviews to serving as preceptors, voluntary faculty, mentors and advisors—your involvement is essential in shaping the next generation of Wayne Trained physicians, researchers and health care leaders.

Programs like Dinner with a Doc, Shadowing and Medical Specialty Sessions thrive because of your commitment. The mentorship and guidance you provide leave a lasting imprint on students' educational journeys and career paths.

Thank you for being a vital part of our vibrant alumni community. Your dedication, generosity and engagement continue to strengthen the School of Medicine and shape the future of health care.

2025 HIGHLIGHTS

300 alumni and guests gathered in Detroit from April 25–27 to celebrate Medical Alumni Reunion Weekend, a vibrant mix of reconnection, reflection and celebration that brought together graduates from across generations to honor their shared legacy and experiences.

674 medical students participated in alumni-sponsored engagement and mentorship programs, gaining valuable guidance, professional insights and networking opportunities that support their academic growth, career development and connection to the broader medical community.

150+ MD and PhD students received funding to present at conferences.

Future Docs, our annual hands-on medical exploration event, engaged more than 300 children ages 6-12 in 18 interactive workshops and activities introducing them to the worlds of medicine, science and public health.

White coat sponsorship
For the first time, all 300 members of the incoming class received a white coat sponsored by a generous donor.

Medical Alumni Annual Fund: The Heart of the Student Experience

The Medical Alumni Annual Fund (MAAF) is at the core of student life at the Wayne State University School of Medicine, empowering future physicians to engage in transformative experiences that foster growth, resilience and readiness for the challenges of a medical career.

In every dimension of student life—academic achievement, professional development, and personal wellness—the MAAF makes a lasting impact. It fuels leadership through support for student organizations, enhances career readiness through specialty exploration and mentorship and promotes well-being through wellness initiatives that help students maintain balance in a demanding environment.

The MAAF also enables meaningful community outreach, connecting students with the populations they will serve and reinforcing the School of Medicine's commitment to compassionate, community-centered care.

Thanks to the generosity of our alumni, the MAAF continues to be a driving force behind the School of Medicine's tradition of excellence. Your support ensures that our students are not only prepared to meet the demands of modern medicine but are also inspired to lead with empathy, innovation and purpose.

“Thank you for supporting our World Health Student Org experience in Oaxaca, Mexico. We learned about patient-centered care in resource-limited settings; gained perspective on health disparities, community-based solutions, and the importance of adaptability in clinic practice; and deepened our understanding of how social & cultural contexts shape health care.”

Saihaj Deol, Class of 2028

The Medical Alumni Association Board of Governors made a historic \$75K Matching Gift Challenge for Giving Day.

Thank you for helping the Medical Alumni Annual Fund reach \$422,521 this year!

MEDICAL ALUMNI BOARD OF GOVERNORS

2025-2026 OFFICERS

PRESIDENT
Rhonda Marvar
M.D. '93

VICE PRESIDENT
Kathleen
Fouche Brazzle
M.D. '87

2ND VICE PRESIDENT
Peter Dews
M.D. '86

SECRETARY
Sarkis
Kouyoumjian
M.D. '98, Res. '01

TREASURER
Sheila Ray
M.D. '87

IMMEDIATE PAST PRESIDENT
Piero A. Simone
M.D. '95

ALUMNI BOARD MEMBERS

Gurjit Ajimal, M.D. '85
Neesha Berry, M.D. '02
Danielle Daniel, M.D. '99
David Edelman, M.D. '02, Res. '09
A. Bradley Eisenbrey, M.D. '86, Ph.D.
Gwendolyn Graddy-Dansby, M.D. '84

MEMBERS AT LARGE

Marija Grahovac, M.D. '03
Monte Harvill, M.D. '92, Res. '96
Julie Kado, M.D. '12
Essam Khraizat, M.D. '99
Phillip Lewalski, M.D. '89, Res. '92
Lameitre Lockhart-Walker, M.D. '05
