Disclosures: This program is not related to specific diseases or conditions but rather deal exclusively with medical education. Therefore there are no potential conflicts of interest with ineligible companies as defined by ACCME and there is no need to identify, disclose or mitigate commercial conflicts of interest.

CME Statement

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live activity for a maximum of **1.25 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Educational Objectives

The goal of this conference is to provide attendees with the most updated information, which will help them in treating their patients using the most advanced and up-to-date procedures. As a result of participating in this activity, the learner should be able to identify and define the key terms used in CME.

- Understanding the types and venues of human trafficking in Michigan and the United States.
- Identifying victims of human trafficking in health care settings.
- Identifying the warning signs of human trafficking in health care settings for adults and minors.
- Identifying resources for reporting when suspecting a child is a victim of human trafficking.
