Select Nominee Award :
Recent Alumni Award

Submit cover letter explaining why you believe this person should be considered:
Daveluy_Cover_Letter_Alumni_Award.pdf

Candidate's current CV:
Daveluy_CV_1-2022.pdf

Please list any other relevant information that the committee may find helpful in reaching its decision, as they receive several qualified applicants each year:

He sets the criteria by which alumni should look to for leadership in a department, the SOM, the county, the state, and in a specialty. He has been overlooked in the past 5 years given covid this is the year he should win this award.

WAYNE STATE
School of Medicine

DEPARTMENT OF DERMATOLOGY

Charles R. Mehregan, M.D.
Heilmann Pinkus Chair

Steven Daveluy, M.D.
Residency Program Director

Geoffrey Potts, M.D.
Residency Associate Program Director

September 18, 2022

Re: Steven Daveluy, MD

Dear WSU SOM Alumni Affairs,

I highly recommend Steven Daveluy for the Recent Alumni Award at Wayne State University School of Medicine. As seen on his CV he has embodied service to the SOM, students, residents, and the community. Having graduated in 2008, he has spent the last 14 years dedicating his time to improving our department as a resident in dermatology followed by core faculty. He has risen through the ranks from Assistant Professor to Associate Professor because of his enthusiasm and devotion. Anyone that knows him personally knows he always has a positive attitude, and it is impossible to not smile and feel better around him.

As associate program director with him, I see him as a colleague that we can improve our department and SOM overall and his leadership roles in the Wayne County Medical Society and the WSU SOM Alumni group. Together, we look for opportunities for quality improvement whether for patient care, department, student or resident education, and the community overall. He is highly organized and effective as the first person awake and working every morning to administer the residency program. He often takes the road less traveled to build his interests in Integrative dermatology including battlefield acupuncture and the relatively underserved but severe and disabling condition hidradenitis suppurativa. His role at the Karmanos Cancer center is one of supportive oncodermatology and he provides service to our Veteran population at the John D. Dingell VA. He shares the load of our Wayne Health Clinics in the Dearborn office providing care to an underserved skin of color population.

He has a lot of great ideas and it's not him that needs to temper the velocity of change. It is the department and SOM that needs to speed up and grow around him. With his leadership and eagerness that will be the only possible outcome. Due to all of the above factors he is the ideal candidate for getting this recent alumni award with the WSU SOM.

Sincerely,

Geoffrey A. Potts, M.D., FAAD

Detroit, MI 48202

Dear Selection Committee,

It gives me great honor to nominate Steve Daveluy MD, FAAD, class of 2008, for the Recent Alumni Award. Steve's accomplishments since graduation have been inspiring and he is deserving of this award.

Steve is an accomplished leader in medicine. He currently serves as the Program Director for the Wayne State University School of Medicine (WSU SOM) Department of Dermatology since 2013. He serves concurrently as the President of the Michigan Dermatological Society and President of the WSU SOM Alumni Association Board of Governors. He is a Past President of the Wayne County Medical Society and serves on the board of directors of the Hidradenitis Suppurativa Foundation. This leadership work among Steve's other strengths has resulted in his 2021 selection as one of America's Best Physicians by the National Advisory Board. Further his multiple awards as a "Top Doc" in Detroit (2018, 2019, 2021, 2022) by Hour Magazine, as well as one of the top 150 dermatologists in the United States by Newsweek.

Steve gives back through his scholarly activities, work with residents, and committed work in the LGBTQ+ Community. Steve has contributed to the literature with over 50 publications, case studies, case reports, and editorial works. His research advances the field with a focus on hidradenitis suppurativa, skin of color, teledermatology, integrative dermatology, cutaneous lymphoma, and dermatopsychiatry. He has mentored many young physicians as they find their place in medicine, as exemplified in his CV. He is also a Reiki Master healer, and all feel more at peace in his presence.

Steve's professional work and accomplishments are commendable, but that's not why I'm nominating Steve. His infectious smile and warmth have not changed from when we first met, when I was a struggling medical student, until now when we share work on the WSUSOM Alumni Association Board. His humility and connectedness to the common man, exemplify the very best of Wayne State University School of

Medicine and our goal of excellence in Community Medicine. I enthusiastically recommend Dr. Steven Daveluy MD, FAAD, WSU SOM Class of 2008, for the Recent Alumni Award without reservation!

Sincerely,

Stacie A. Smith MD, MPH

Wayne State University School of Medicine Class of 2008

2021-present Resident Member, WSU SOM Alumni Association Board of Governors

2022 – present Chief Resident, Preventive Medicine; Meharry Medical College

2022- present Secretary, Tennessee Medical Association Residents and Fellows Section
